****CONDITIONS OF SUPPLY OF WATER, WASTE, AIR AND/OR GAS****

1. No person or contractor will be allowed to carry out plumbing on any of our hire fittings other than our own staff.
2. Not all stands are located near water, waste and gas outlets so please check if your stand can be connected with the services you require.
3. All quotations will include installation and dismantling charges, plus servicing but only to our HIRE FITTINGS and INSTALLATION.
4. Invoices for water, waste, air and/or gas will be issued before the show. **Payment must be made prior to installation.** Preference will be given to paid Exhibitors.
5. All installations applied for will be charged whether used or not.
6. All care will be taken but no responsibility for damages or injury incurred by our installation or hire fittings to any person or persons or equipment.
7. All applications must be signed, before work is carried out. **Sign** bottom of this sheet.
8. Owners sink and hot water system, water and waste connection only. All plumbing on your sink and hot water system must meet Plumbing Code Regulations before we hook it up.
9. Gas Requirements. (LPG only) One 9kg bottle per appliance. Bottle must have current date stamp. No spare bottles to be kept on stand. Connections must be hard piped or approved flexible connections. No rubber hoses. Bottle must be connected and disconnected at the start and finish of each day and must be taken out of Hall. This should be done by a licensed Gasfitter and be electronically tested every time. We provide this service and an onsite filling station. We have a steel lockable cage for gas bottle storage. Connect & disconnect 9kg bottle (Cost \$40 / day per bottle). Supply gas (Cost \$70 / 9kg Bottle).

We agree and understand the conditions of this contract. **Signed** _____
